Dear Chairwoman Granger and Ranking Member DeLauro:

Thank you for your invitation to submit Community Project Funding requests for the Northern Mariana Islands.

I am requesting funding for the Route 310 (Tapochao Road) Construction Project in fiscal year 2024. The entity to receive funding for this project is the Department of Public Works, Oleai Joeten Commercial Center, Saipan, MP 96950.

The project is an appropriate use of taxpayer funds because the funding will be used to construct an all-weather roadway from Capitol Hill to Tapochao point in the island of Saipan. Upon completion, this road will provide safe, reliable access for residents of Tapochao Road, improve stormwater diversion, and ensure critical access to the Homeland Security Emergency Management Tower.

This project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 165(c).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

**GREGORIO KILILI CAMACHO SABLAN**  
Member of Congress
