Dear Chairwoman Granger and Ranking Member DeLauro:

Thank you for your invitation to submit Community Project Funding requests for the Northern Mariana Islands.

I am requesting funding for the Sadog Tasi Wastewater Treatment Plant Underground Storage Tank Remediation in fiscal year 2024. The entity to receive funding for this project is the Commonwealth Utilities Corporation, located at Third Floor, Joeten Dandan Building, in Saipan, MP, 96950.

The funding will be used to remediate a 3-million-gallon World War II era underground storage tank which has partially collapsed at the Sadog Tasi Wastewater Treatment Plant. Portions of the plant, including several buildings and vehicles, have been declared unsafe and inaccessible, impeding ability to provide essential services.

This project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

GREGORIO KILILI CAMACHO SABLAN
Member of Congress
