Dear Chair DeLauro and Ranking Member Granger:

Thank you for your invitation to submit Community Project Funding requests for the Northern Mariana Islands.

I am requesting funding for the Rota Route 10 Drainage Improvements and Road Overlay on the island of Rota for fiscal year 2023.

The project sponsor and entity to receive funding for this project is the Department of Public Works, located at 2F Oleai Joeten Commercial Center, Saipan, MP 96950.

The funding will be used for the construction of an overlay and the development of drainage systems in four separate locations along Route 10, which is the main thoroughfare to the airport and other commercial and government entities on the island of Rota.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

**GREGORIO KILILI CAMACHO SABLAN**  
Member of Congress
